Join the effort to save lives and end domestic violence by becoming a sponsor of the **9th annual "Friends Helping Friends" 5K Fun Run/Walk and Health Expo**. Last year, corporate sponsors, along with more than 1,000 race participants and Health Expo attendees, generated **over \$41,000 in donations for SafeHouse**, the only state-certified domestic violence center in Seminole County.

The annual event receives a vast amount of attention across all forms of media, including features in *Lake Mary Life Magazine*, *The Sanford Herald* and *The Orlando Sentinel*. Additionally, sponsors are promoted through broadcasts, podcasts and our 6,000 plus social media friends! The addition of the **Health Expo** has created quite a buzz, bringing many new sponsors from local health-related businesses.

If you've ever been touched by the news reports of families broken by domestic violence, or if you've ever known someone whose life has been destroyed by domestic violence, or if you've ever wished you could do something to end domestic violence in your community, please consider **becoming a sponsor today!** Your sponsorship supports essential services and helps promote the SafeHouse vision: **"Every Relationship - Violence Free"**. Furthermore, **100% of the proceeds go directly to SafeHouse.**

Early responses are encouraged so we can start including your company in all media and promotions. It's quick and easy! Just complete the attached sponsorship sign-up form and **submit to Walk on Water today!**
